LB 284

commend you for your tenacity despite the fact that it has been a long day and I do appreciate your support. For your information we have gone through and discussed twenty-eight bills so I think there may be some who think that that is too many but I thank you for your support and, Senator Carsten, would you like to adjourn us until...Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, there was accepted a unanimous consent from Senator DeCamp and Senator Schmit on LB 284 and if they have withdrawn their names I am wondering who is on that bill as a sponsor. I was trying to look it up but I can't...

CLERK: Senator, they have simply withdrawn their amendments to the bill. They have not taken their names off the bill.

SENATOR CHAMBERS: Could you read again what you read from them? I thought you said as cointroducers.

CLERK: No, the unanimous consent to withdraw all my amendments as well as my name from any amendments offered to LB 284.

SENATOR CHAMBERS: Okay.

SPEAKER MARVEL: Senator Carsten, the motion would be to adjourn until nine-thirty on Monday.

SENATOR CARSTEN: Mr. President and members of the Legislature, I move we adjourn until nine-thirty, Monday.

SPEAKER MARVEL: All those in favor of that motion say aye, opposed no. We are adjourned until Monday at 9:30 a.m.
